

EDUCATION:

Columbia University Graduate School of Journalism, New York **May 2018 – May 2020**
Master of Science, part-time program with concentration on video journalism. Highlights:

- **Master's project:** short documentary (13 mins) examining how activists and non-profits are trying to save and repurpose the city's food waste produced by commercial businesses to feed the needy.
- **Columbia Journalism School Video Newsroom** **January – May 2019**
Reported, scripted and edited feature and breaking news packages on deadline as a one-woman band.

Arthur L. Carter Journalism Institute, New York University, New York **2017**
Visiting student for a semester; took reporting and multimedia storytelling classes.

London School of Economics and Political Science, London **2015**
Master of Science in Contemporary Social Thought (Sociology, Political theory, Gender).
Master's thesis examined how advertisements present unreal representations of women; who creates these images and what underlying social histories inform their creative decisions.

Goldsmiths College, University of London, London **2011**
Bachelor of Arts in Sociology and Politics.
B.A. research focused on the social effects of capitalist economies and the birth of the insatiable, perpetually desiring consumer.
